Hi Sara,

As I understand your description, the usage is USC related. I'm assuming you have releases as needed for the people involved, and there will be photo credit.

If that's the case feel free to use the images for Dr. Kutch's Wikipedia Kinesiology page. Please contact me if there are any other details to be discussed.

My best,

Phil

Dear Phil,

How are you? I hope you are doing well. I wanted to write to request your approval to use some of the photos you took of our program in Wikipedia.

Dr. Kutch, one of our professors, is intending to use the attached photo collage with four of your photos (as labeled) in a page that he is creating in Wikipedia for the field of Kinesiology.

Would you give us permission to upload your photos as a collage under the following license as described by Wikipedia?

Hi Sara,

Yes I am doing well and you have my permission to use the photo. The photo does not look familiar so I might not be the photographer. Hope you are great.
